

**Renewable Water Resources  
Pretreatment Sampling Observation**

**cc: Inspector**

**Date:** \_\_\_\_\_ **Arrival Time:** \_\_\_\_\_ **Departure Time:** \_\_\_\_\_

**Industry:** \_\_\_\_\_ **Permit #:** \_\_\_\_\_

**Last Sample Observation:** \_\_\_\_\_ **Permit Expiration Date:** \_\_\_\_\_

**Sample Type:**

1. **Grab Sample**                      YES \_\_\_\_\_      NO \_\_\_\_\_

*If yes,*

- a) Parameter Sampled: \_\_\_\_\_
- b) Are proper preservation techniques followed?                      Yes    No    Unknown
- c) Reason for Sampling event:
  - 1. Permit Requirement                      Yes    No    Unknown
  - 2. Extra Sampling                      Yes    No    Unknown
  - 3. Other: \_\_\_\_\_

*If no,*

- a) Can sampling technician identify proper location and technique for collecting grab samples? If no, please comment below.                      Yes    No

2. **Composite Sample**                      YES \_\_\_\_\_      NO \_\_\_\_\_

*If yes,*

- a) Date/Time of Sampler Setup: \_\_\_\_\_
- b) Date/Time sampler taken down: \_\_\_\_\_
- c) Flow Proportional Composite \_\_\_\_\_ or Timed Composite \_\_\_\_\_ (check one)
- d) Parameters Sampled: \_\_\_\_\_
- e) Are proper preservation techniques followed?                      Yes    No    Unknown
- f) Reason for Sampling event:
  - 1. Permit Requirement                      Yes    No    Unknown
  - 2. Extra Sampling                      Yes    No    Unknown
  - 3. Other: \_\_\_\_\_

*If no,*

- a) Can sampling technician identify proper location and technique for collecting composite samples? If no, please comment below.                      Yes    No

**Observations**

- 1. **Is the permit approved control structure being used?**                      Yes    No    Unknown
- 2. **Are sampling techniques consistent with permit conditions?**                      Yes    No    Unknown
- 3. **Is sampling equipment consistent with parameter collection requirements?**                      Yes    No    Unknown
- 4. **Is the sample tubing and strainer in the proper location?**                      Yes    No    Unknown
- 5. **Are proper preservation methods for composite samples used?**                      Yes    No    Unknown
- 6. **Was the composite sample collected within the appropriate time frame?**                      Yes    No    Unknown

**Meter Reading:** \_\_\_\_\_ **Calibration Date:** \_\_\_\_\_
