### **Western Carolina Adds New Customer Service and Contract Manager**

Greenville, S.C. (February 25, 2008) - Western Carolina Regional Sewer Authority is pleased to announce Stacey Green as the new Customer Service and Contract Manager. Her primary focus will be to represent Western Carolina as the liaison to the public, as well as to the sewer districts and municipalities. Green's duties include managing the Customer Service team and monitoring existing contracts with sewer districts and municipalities.

Green graduated from Winthrop University with a Bachelor of Arts in Psychology and a minor in Sociology. She also received an Associate's Degree in Marketing from Greenville Tech. Green previously worked for UPS as an Account Manager where she was responsible for negotiating and monitoring contracts for more than 400 accounts with revenues totaling more than \$3 million annually.

Western Carolina Regional Sewer Authority serves as a clean water provider to more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties. Western Carolina operates and maintains 300 miles of major sewer trunk lines and 10 major wastewater treatment facilities. For more information, visit [www.wcrsa.org](http://www.wcrsa.org).
