Western Carolina Appoints New Commissioner

After receiving a recommendation from the Greenville County Delegation, Michael Bishop was recently appointed by the Governor to a four-year term as Commissioner on the Western Carolina Regional Sewer Authority Board of Commissioners.

Bishop, a Greenville resident, is the Senior Design Engineer for Tegron Southeast. He received a Bachelor of Sciences in Electrical Engineering from Clemson University. In Bishop's professional career he has held leadership positions at Electric Systems, Inc., Carter & Crawley, and Smith Engineering. With over 35 years of experience working with industry and contractors, Bishop will serve as a great asset to the Western Carolina Board.

Western Carolina Regional Sewer Authority celebrates 75 years of environmental stewardship. The organization provides wastewater treatment services to over 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg and Laurens Counties. Western Carolina operates and maintains 300 miles of major sewer trunk lines and 11 major wastewater treatment facilities. For more information about Michael Bishop or Western Carolina Regional Sewer authority, please contact Ray Orvin at (864) 299-4000.
