**Western Carolina Regional Sewer Authority  
Receives National Certificate of Achievement for  
2006 Annual Report to the Community**

Greenville, S.C. (August 6, 2007)- The Government Finance Officers Association (GFOA) has awarded Western Carolina Regional Sewer Authority a Certificate of Achievement for the organization's 2006 Annual Report to the Community. This is the ninth consecutive year that the organization has been recognized by this organization.

In an effort to reach as many customers as possible in a cost-effective way, the 2006 annual report was inserted in a variety of local newspapers. More than 166,000 copies of this customer-oriented document were distributed throughout the community. The document included information on the organization, its financial status, and its 2006 achievements along with several public education topics. The 2006 Annual Report is available on Western Carolina Regional Sewer Authority's website [www.wcrsa.org](http://www.wcrsa.org).

This award is presented annually by the Government Finance Officers Association of the United States and Canada (GFOA). GFOA is a nonprofit professional association serving over 12,000 government finance professionals. GFOA has offices in Chicago, Illinois, and Washington, D.C.

Western Carolina Regional Sewer Authority provides wastewater treatment services to over 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg and Laurens Counties. Western Carolina operates and maintains 300 miles of major sewer trunk lines and 10 major wastewater treatment facilities.
