**Western Carolina Presents Winners of the 7th Annual Freshwater Freddie Golf  
Tournament and United Way Fundraiser**

Greenville, S.C. (June 22, 2007)– Western Carolina Regional Sewer Authority recently hosted the 7th Annual Freshwater Freddie Golf Tournament at the Southern Oaks Golf Course in Easley. Over 100 participants competed in this tournament to raise \$4, 919 for the United Way. The first place team, which included Todd Impson, Jerry Jennings, Don Dodson and Tony Hamby, , was presented with the Freshwater Freddie 7th Annual Golf Tournament plaque. Prizes, donated by local companies and several individuals throughout the Greenville community, were also given to the participants of the tournament.

The Freshwater Freddie Golf Tournament was named after the Western Carolina mascot, who was introduced to the Greenville area in 2001 during the “Name That Frog” contest. A first grade class from Hollis Academy submitted the winning entry of “Freshwater Freddie”. Western Carolina adopted a frog as its public education mascot to emphasize the importance of protecting Greenville’s freshwater resources. For more information about the 7th Annual Western Carolina Freshwater Freddie Golf Tournament, visit our web site at [WWW.WCRSA.ORG](http://WWW.WCRSA.ORG).
