**Renewable Water Resources Employee Inducted Into Water Environment Federation
5S Society**

Greenville, S.C. (August 24, 2009)
– Renewable Water Resources (ReWa) is proud to announce that Glen McManus, Director of Operations, was recently inducted into the South Carolina Chapter of the Water Environment Federation’s 5S Society, in recognition of contributions of outstanding measure to ReWa.

The 5S Society, the Select Society of Sanitary Sludge Shovelers, was

originally founded in 1940 to recognize “outstanding, meritorious service above and beyond the call of duty.”

Renewable Water Resources (ReWa)

ReWa’s goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
