WESTERN CAROLINA ADDS NEW Engineering Manager

Greenville, S.C. (August 11, 2008) - Western Carolina Regional Sewer Authority is pleased to announce the addition of Charles Vasulka as the new Engineering Manager. Vasulka will be responsible for the management of planning, design and construction of Western Carolina's capital program.

Vasulka joins Western Carolina with thirty years of experience, having worked as the Director of Engineering and Construction for the Northeast Ohio Regional Sewer District. Vasulka has a Bachelors Degree in Civil Engineering from Cleveland State University and is a Registered Professional Engineer in South Carolina.

Vasulka can be reached at 864-299-4020 x212 or cvasulka@wcrsa.org

Western Carolina Regional Sewer Authority

Western Carolina Regional Sewer Authority provides wastewater treatment services to more 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties. Western Carolina operates and maintains 300 miles of major sewer trunk lines and 10 major wastewater treatment facilities.
