Boy Scouts of America Troop 19 Tours Mauldin Road Wastewater Plant

Western Carolina Regional Sewer Authority hosted a tour for BSA Troop 19 at the Mauldin Creek Plant. Rob Hanley, Troop 19's Leader, brought almost 30 scouts to learn about their local sewage plant. The troop is sponsored by Westminster Presbyterian Church on Augusta Road.

If you interested in taking a tour or would like more information, please contact Patty Buchanan at 864-299-4027 ext. 312. Western Carolina Regional Sewer Authority celebrates 75 years of environmental stewardship. The organization provides wastewater treatment services to over 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg and Laurens Counties. WCRSA operates and maintains 300 miles of major sewer trunk lines and 11 major wastewater treatment facilities.
