Renewable Water Resources Recognized for Occupational Safety Record

Greenville, S.C. (October 28, 2009) – Renewable Water Resources (ReWa) is proud to announce that seven of its facilities won the South Carolina Occupational Safety Council Award (SCOSC). These awards represent the commitment of each facility’s manager to providing their staff with a safe place to work.

- Durbin Creek
- Georges Creek/Marietta
- Grove Creek/Piedmont
- Lower Reedy
- Pelham
- Solids Management
- Taylors

SCOSC presents these awards to organizations with an OSHA Recordable Incidence Rate that is at least 50% below the state average incident rate; these

awards are based on the facility’s total recordable incident rate. ReWa thanks its managers for their continued effort.

Caption: ReWa Employees Winfred Riggins, Pete Petoski, Brian Goldsmith, Kyle Lindsay, Commission Chair John Boyette, Ruth Graham and Chris Elliott accept the awards for their respective plants.

Renewable Water Resources (ReWa)

ReWa’s goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
