**Patricia Dennis Joins Renewable Water Resources as Controller**

Greenville, S.C. (June 24, 2009) – Renewable Water Resources (ReWa) welcomes Patricia R. Dennis, CPA, as its new Controller. In this position, Dennis works in the Administrative Finance Department and will be responsible for ensuring compliance for all accounting functions, directing long-range financial planning and coordinating the annual budget and audit.

Dennis is a Magna Cum Laude graduate of Huntingdon College in Montgomery, Alabama. She comes to ReWa with more than 10 years of combined accounting experience. Prior to joining ReWa, Dennis previously served as Senior Accountant at KEMET Electronics Corporation; Accounting Operations Manager at RBC Liberty Insurance Services Corporation; and Accountant at Boohaker, Schillaci & Co. Dennis can be reached at 864-299-4000 or [patriciad@re-wa.org](mailto:patriciad@re-wa.org).

**Renewable Water Resources (ReWa)**

ReWa's goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
