### **Renewable Water Resources Awards Local Greer Industry for Environmental Stewardship**

Greer, S.C. (May 12, 2009) – Renewable Water Resources (ReWa) recently recognized Greer’s local Mitsubishi Polyester Film, Inc. for demonstrating excellent compliance with environmental regulations throughout 2008. Mitsubishi Polyester has a history of excellence in this area, with this being its 11<sup>th</sup> year receiving this award.

ReWa’s Compliance Excellency Awards are presented annually to local industries that are in complete compliance with the Sewer Use and Pretreatment Regulation. ReWa applauds these good neighbors for their outstanding efforts in helping to achieve a cleaner environment in the Upstate.

### **Renewable Water Resources (ReWa)**

ReWa’s goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
