Renewable Water Resources Participates in Bryson MS Career Day

Greenville, SC (May 24, 2010) –Several employees from Renewable Water Resources (ReWa) recently participated in Bryson Middle School’s Career Day to help educate kids about the variety of potential careers in the wastewater industry. More than 400 students met with employees from ReWa’s Operations, Customer Service and Process Control, as well as toured ReWa’s equipment and trucks up close.

Renewable Water Resources (ReWa)

ReWa’s goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
