Renewable Water Resources Participates in Downtown Art Recycling Bin Project

Greenville, S.C. (April 28, 2009) – Renewable Water Resources (ReWa) proudly participated in the

Metropolitan Arts Council's (MAC) Flat Out Under Pressure (FOUP) art competition and recycling bin project. ReWa sponsored the recycling bin that will be located on South Main Street next to the Peace Center overlooking the Reedy River.

At the MAC reception on Saturday April 25th, ReWa Executive Director Ray T. Orvin, Jr. was recognized for their support of the project. After completion, the downtown area will have access to public recycling bins featuring the work of local artists.

Renewable Water Resources (ReWa)

ReWa's goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
