Renewable Water Resources Employee Receives WEASC Golden Manhole Award

Greenville, S.C. (April 21, 2009) – Renewable Water Resources (ReWa) is proud to announce that Toby Humphries, TV & Clean Supervisor, received the Water Environment Association of South Carolina's (WEASC) Golden Manhole Award for outstanding contribution to the wastewater collection industry.

The annual award recognizes the promotion of professionalism in Sewer Collection Systems in Operations, Maintenance, Design, Education,

Training, Certification or Management and Planning.

Renewable Water Resources (ReWa)

ReWa's goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
