**Young Student Job Shadows Employee at ReWa**

Greenville, S.C. (March 23, 2010)—Renewable Water Resources (ReWa) recently hosted middle schooler Dana Talley for its career shadowing program. Talley is a student interested in wastewater treatment processes who connected with ReWa through the Tour Program.

While at ReWa, Talley learned about the use of microorganisms in biological water treatments and also assisted in performing several clean water tests in ReWa's lab. To schedule your own tour, visit [www.rewaonline.org/tours.php](http://www.rewaonline.org/tours.php).

**Renewable Water Resources (ReWa)**

ReWa's goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
