Renewable Water Resources Presents Winners of the 9th Annual Freshwater Freddie Golf Tournament and United Way Fundraiser

Greenville, SC (May 22, 2009) – Renewable Water Resources (ReWa) recently hosted its 9th annual Freshwater Freddie Golf Tournament at the Southern Oaks Golf Course. There were 24 teams of 96 participants that competed in this tournament to raise \$7,779 for United Way.

The first place team, which included Bill Ralin, Mike Nelson and Charlie Campbell, of Technical Maintenance Associates, as well as ReWa’s David Roberts, was presented with the Freshwater Freddie Tournament Plaque. The second place team included Dan, Fowler, Jeff Wing, and JJ Belk, of Carolina Septic, as well as Jimmy Kellet, of Kellet’s Corner.

The Freshwater Freddie Golf Tournament is named after ReWa’s educational mascot, who was introduced to Greenville in 2001 during the “Name That Frog” contest among area elementary schools. Freddie was inspired by a first grade class from Hollis Academy, to help ReWa educate the community on the importance of protecting Greenville’s freshwater resources. For more information about ReWa, visit www.rewaonline.org.

Renewable Water Resources (ReWa)

ReWa’s goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
