**ReWa Employee Wins WEASC's Dennis Pittman Award**

Greenville, SC (April 14, 2009) – Renewable Water Resources (ReWa) is proud to announce that Tony Walton, Collections System Manager, received the Dennis Pittman Award for exemplary operation of a collection system. The award is presented annually by the Water Environment Association of South Carolina (WEASC) as one of three WEASC Biosolids and Residual Management Awards. Criteria include significant recycling or reuse of natural resources such as nutrients, organic matter, or energy; consistent, cost-effective operation; public acceptance; compliant with all federal, state and local regulations; and excellence in project management.

**Renewable Water Resources (ReWa)**

ReWa's goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
