Renewable Water Resources Employee Receives WEF Quarter Century Operator Award

Greenville, S.C. (January 12, 2010) – Renewable Water Resources (ReWa) is proud to announce that Hagan “Festus” Stroud, Line Maintenance Supervisor, was recently inducted into the Water Environment Federation (WEF) Quarter Century Operator club.

The Quarter Century Operator Club recognizes operators of wastewater treatment facilities for their service and dedication in a difficult and dangerous profession.

Renewable Water Resources (ReWa)

ReWa’s goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
