Renewable Water Resources Receives SC Chamber of Commerce Safety Awards

Greenville, S.C. (July 14, 2011) – Renewable Water Resources (ReWa) is proud to recognize its plants and facilities for winning 2010 South Carolina Chamber of Commerce Safety Awards.

Treatment Plants:

- David Collyer, Durbin Creek & Gilder Creek
- Chris Elliott, Georges Creek
- Ruth Graham, Grove Creek & Piedmont
- David Skyles, Lower Reedy
- Dargan Evans, Marietta
- Kevin James, Pelham

Facilities:

- William Armes/Keith Moore, Industrial Pretreatment
- Kenneth Deanhardt, Instrumentation
- Ann Sims, Laboratory
- Joey Collins, Solids Department

The South Carolina Chamber of Commerce Safety Awards are presented annually based on companies achieving a commendable lost workday case rate during 2010. The Chamber honored those companies who make workplace safety a priority with a luncheon in Columbia.

Renewable Water Resources (ReWa)

ReWa's goal is to promote a cleaner environment, and to protect the public health and water quality of the Upstate waterways, while providing and developing the necessary sewer infrastructure for the growing economy. ReWa serves more than 400,000 industrial, commercial and residential customers in Greenville County and parts of Anderson, Spartanburg, Pickens and Laurens Counties.
